

**Henry Tutwiler Wright**  
Museum of Anthropology  
3010 School of Education Building  
610 East University Avenue - Ann Arbor, Michigan 48109-1259

E-mail: hwright @umich.edu

Birthdate: March 29, 1943, Annapolis, Maryland

### **Education**

A.B. (with Honors in Anthropology) The University of Michigan, June 1964

M.A. (Anthropology) The University of Chicago, September, 1965

Ph.D. (Anthropology) The University of Chicago, December 1967

### **Positions**

2007-Present Albert C. Spaulding Distinguished University Professor of Anthropology  
The University of Michigan

2001-2007 Albert C. Spaulding Collegiate Professor of Anthropology The University of Michigan

1976-2001: Professor of Anthropology, Department of Anthropology. The University of Michigan

1971-1976: Associate Professor of Anthropology, Department of Anthropology,  
The University of Michigan

1967-1971: Assistant Professor of Anthropology, Department of Anthropology,  
The University of Michigan

1967-Present: Curator of Archaeology, Museum of Anthropology, The University of Michigan

1989-1992: Director, Museum of Anthropology, The University of Michigan

1998 – Present : Member of the External Faculty, The Santa Fe Institute

### **Honors, Professional Societies and Affiliations**

Member of the Society for American Archaeology (1962 – present)

Research Associate of the Musée d'Art et d'Archéologie/Institute de Civilisations,

L'Université d'Antananarivo, Madagascar ( 1975 – Present)

Member of the British Institute in Eastern Africa (1980 – present)

MacArthur Fellow (1993 – 1998)

Member of the National Academy of Sciences (1994-present)

Foreign Associate of the Chinese Academy of Social Sciences (2003 – present)

Member of the Science Board and Steering Committee, The Santa Fe Institute (1995 – present)

Gold Medal Award for Distinguished Archaeological Achievement, A.I.A. (2009)

The McDonald Lecturer, McDonald institute of Archaeology Cambridge University (Nov. 2009)

Li Qing Visiting Professor of Archaeology, Shandong University, Jinan, China (July 2011 to present)

Society for American Archaeology Lifetime Achievement Award 2013

**FieldWork**

- 1961: June-August: Field Worker, archaeological excavations at the Juntunen Site, a Late Woodland village in Northern Michigan, under Alan McPherron.
- 1962: June-August: Field Worker, excavations on ten Woodland sites in Macomb and Saginaw Counties, Michigan, under R.O. Keslin.
- 1963: June-August: Field Worker at the Middle Paleolithic site of Combe Grenal and the Upper Paleolithic site of Caminade, Dordogne, France, with François and Denise Bordes and A.J. Jelinek.
- 1964: June-August: Field Worker, excavations at the Middle Woodland Schultz Site, Saginaw County, Michigan, under James E. Fitting.
- 1965: September, to 1966, June: Field Director, the Lower Iraq Survey conducting a survey of all sites in the area of Ur and excavating an Early Dynastic village for the Oriental Institute of the University of Chicago and the Directorate-General of Antiquities of Iraq.
- 1966: July: Field Worker, excavations at the Upper Paleolithic site of La Fouralie II, Dordogne, France, under Jaques Tixier.
- 1964, 1966, and 1967, August: Conducted three short excavations at the Folly Run Site, a Late Prehistoric village in the central Appalachians.
- 1967, 1968, and 1969, November: Conducted three brief survey projects at the Smithsonian Institution's Chesapeake Center for Field Biology.
- 1968: January to June: Director, the excavations at Tepe Farukhabad, a Fourth millennium B.C. town in Southwestern Iran, under the auspices of the University of Michigan Museum of Anthropology and the Iran Archaeological Service.
- 1968: August: Field Director of the University of Michigan Museum of Anthropology contribution to the Middle East Technical University's salvage excavations at the Keban Dam in South Central Anatolia.at the small rural site of Fatmall-Kalecik.
- 1969: February-May: Conducted archaeological survey of the Ram Hormuz, Gutwand, Shushtar, Susiana, and Deh Luran Plains in Southwestern Iran.
- 1969: July: Field Worker, excavations at the Formative center of San Jose Magote, Oaxaca, Mexico, under Kent V. Flannery.
- 1970: August to 1971, May: Director of the University of Michigan Museum of Anthropology and Iran Archaeological Service Southwest Iran Project involving geological and zoological fieldwork archaeological survey, and excavation of a rural site of the IVth millennium B.C. on the Susiana Plain.
- 1971: August: Conducted excavations at the Eighteenth Century Farmstead of "Hancock's Resolution" for Historic Annapolis, Incorporated.
- 1972: June-July: Field Director, Excavations at Santo Domingo Tomaltepec (Oaxaca, Mexico) a Formative elite center, under the overall director of Kent V. Flannery.

**Henry T. Wright**

3

- 1973: January to April: Further archaeological survey on the Susiana Plain of Southwestern Iran for the Iranian Centre for Archaeological Research.
- 1973: May: Field Director, University of Michigan excavations on the Loboï Plain, Baringo Area, Kenya, including the investigations of both Middle and Late Stone Age settlement systems.
- 1975: February: Archaeological survey of the Karun Dam Basin, Iran.
- 1975: April to June: Field Director, Archaeological survey of the Island of Mayotte, Comoro Islands in order to document early Malagasy and Swahili settlements.
- 1975: June to August: Field Director, Archaeological survey in Central Imerina as a collaborator of the Musée d'Art et d'Archéologie, Antananarivo, Madagascar.
- 1975: July: Cartographer for the excavations of the Iranian Centre for Archaeological Research at the Iron Age fortress of Ziwiyeh.
- 1976: January to June: Field Director of assorted archaeological surveys in the southern Zagros Mountain of Iran and director of the survey training program of the Iranian Centre for Archeological Research.
- 1977: November to December: Preliminary investigations on the Northern Acropole of Suse, Khuzistan, Iran, under the auspices of the Délégation Archéologique Française en Iran.
- 1978: October to December: Field Director of excavations on the Northern Acropole of Susa, Khuzistan, Iran under the same auspices.
- 1980: April to June: Field Director of an archaeological survey of the terraces of the Middle Ohio River Valley, focusing on settlements of the period of early horticulture and social complexity, 2000 B.C. to A.D. 500.
- 1980: July-August: Archaeological survey in Central Imerina as a collaborator of the Musée d'Art et d'Archéologie, Antananarivo, Madagascar.
- 1981: July-August: Conducted a survey and limited excavations on the islands of Anjouan and Ngazidja in the Comoro Islands, documenting other early coastal settlements involved in the Medieval Indian Ocean trade networks.
- 1983: June-October: Conducted archaeological surveys on Madagascar in Anosy, Betsimisaraka, and Imerina areas as Research Associate of the Musée d'Art et d'Archéologie.
- 1984: June: Survey and analysis in Imerina, Madagascar. July-September: Excavations on Anjouan, Comoro Islands in with the Centre de Recherche et Documentation.
- 1985: Archaeological survey and analysis in Imerina Madagascar, July-September, with Musée d'Art et d'Archéologie, University of Antananarivo.
- 1986: July: Archaeological survey and excavation in Betsimisaraka area, Madagascar, in conjunction with Le Centre des Etudes Linguistique et Ethnologique, Centre Universitaire de Toamasina (Tamatave).

**Henry T. Wright**

4

- 1987: December: Director, Archaeological survey of Graeco-Roman routes in the Eastern Desert of Egypt, with University of Assiut.
- 1987: August: Archaeological survey in Central Madagascar with Musée d'Art et d'Archéologie.
- 1988: December: Associate Director, excavations at the Graeco-Roman entrepot of Coptos, Upper Egypt, with University of Assiut.
- 1989: July: Archaeological survey in Northwestern Madagascar with Musée d'Art et d'Archéologie
- 1990: May: Associate Director, Excavations at the Graeco-Roman entrepot of Coptos, Upper Egypt with University of Assiut...
- 1990: July-August: Archaeological survey on the Bay of Antongil, Madagascar, with the University of Toamasina (Tamatave).
- 1990: December: Associate Director, Excavations at the Roman fort of Kashm el-Menih and survey in the Eastern Desert of Egypt, with University of Assiut..
- 1991: July-August: Archaeological survey on the Northwest Coast of Madagascar with the Musée d'Art et d'Archéologie, University of Antananarivo
- 1992: December: Director, Archaeological survey in the Eastern Desert of Egypt.
- 1992: August: Archaeological survey on the Northwest Coast of Madagascar., with Musée d'Art et d'Archéologie, University of Antananarivo
- 1993: February, December: Director, Archaeological survey in the Eastern Desert of Egypt.
- 1993: July: Lithic analyst for excavations at the IVth mil. B.C. center at Hacinebi Tepesi in south-central Anatolia, under direction of Gil Stein, Northwestern University.
- 1993: August: Archaeological survey on the West Coast of Madagascar with the Musée d'Art et d'Archéologie, University of Antananarivo
- 1994: August: Archaeological survey on the West Coast of Madagascar with the Musée d'Art et d'Archéologie, University of Antananarivo
- 1995-96: September -October: Excavation supervisor, Excavations at the Bronze Age urban center of Kazane Hüyük, Urfa, SE Turkey, under direction of P.J. Wattenmaker.
- 1998: Lithic analyst for excavations at the IVth mil. B.C. center at Tell in eastern Syria, under direction of Geoffrey Emberling, Metropolitan Museum of Art
- 1998: Field Worker. Archaeological survey in Gongyi area, western Henan, focused on early political formations of the Longshan and Shang Period, under the Supervision of Li Liu, Latrobe University; Xingcan Chen, Institute of Archaeology, Beijing, and Yun-kuen Lee, Harvard University.
- 1999 Ceramic specialist. Northeast Coast of Madagascar, focused on ecological adaptations of early coastal peoples. Project Director: Robert E. Dewar.

- 2000-1 Field supervisor. Archaeological survey in Gongyi area, western Henan, focused on political formations of the Longshan and Shang Periods, supervised by Li Liu, Latrobe University; Xingcan Chen, Institute of Archaeology, Beijing, and Yun-kuen Lee, Harvard University.
- 2000-1: Architectural, lithic and ceramics analyst for excavations at the V-IIIrd mil. B.C. center of Tell Brak, eastern Syria, under direction of Geoff Emberling, University of Michigan.
- 2002-06 Ceramic and survey specialist. Northeast Coast of Madagascar, focused on ecological of early coastal peoples. Project Directors: Robert E. Dewar and Fulgence Fanony. Supported by a grant from the MacArthur foundation Fund for Biodiversity.
- 2002-6 Field Director. Brak Sustaining Area survey. Eastern Syria. (Brak Project Directors David and Joan Oates. ) Supported by a NASA grant to E.S.A. Rupley and University of Michigan LSA and Rackham grants to Wright.)
- 2007 Participant in the Eastern Altai archaeological survey in Western Mongolia under the direction of the Chunag Amartuvshen, William Honeychurch, and Joshua Wright
- 2007-10 Participant in the Vohèmar survey in NE Madagascar with Chantal Radimilahy and Robert Dewar funded by the British Institute in Eastern Africa and by Cambridge University, U.K
- 2008 Participant in the East Dian archaeological survey Yunnan, China, directed by Dr. Alice Yao University of Toronto
- 2008-15: Archaeological survey of the Kingdom of Marovatana, Imerina, Central Madagascar with Ramilisonina of the Musée d'Art et d'Archéologie, University of Antananarivo
- 2009-12 Salvage Excavations on Wall St. Ann Arbor with student volunteers and the support of the University of Michigan Museum of Anthropology Great Lakes Range.
- 2010-18 Co-Director of the Vohemar survey in NE Madagascar with Chantal Radimilahy and Robert Dewar funded by the British Institute in Eastern Africa.
- 2010-11 Participant in the South Dian Archaeological Survey Yunnan, China, directed by Dr. Alice Yao University of Toronto
- 2011-12 Excavation supervisor; ceramic, and stone tool analyst. Lalaton'i Anja, Far North of Madagascar, under direction of Robert E. Dewar, Yale University and Chantal Radimilahy, Musée d'Art et d'Archéologie, Antananarivo, Madagascar
- 2013 Field supervisor, Stratigraphic excavations at Nyamawi and Sima, Union of the Comoros, Mahilaka, NW Madagascar and Ankadivory, Central Madagascar with "Sealinks Project", Oxford University. under direction of Prof. Nicole Boivan, Dr. Alison Crowther, and Sol Pomerantz.
- 2014, 16 Ceramic Analyst, Bristol University Excavations on Cape Hatteras, Outer Banks of North Carolina, Prof. Mark Horton, Director

**Grants**

“Development of Early Towns on the Deh Luran Plain”: NSF-GS-1938 \$17,000 (with additional Museum of Anthropology Research Funds) 1968-1969; three graduate student participants.

“A Preliminary Study of the Relationships between Regional Centers and Subsidiary Towns in Iranian Mesopotamia: 4000 to 2000 B.C.” Rackham Research Grant \$2800 (with supplement from Ford Foundation Archeological Traineeship Funds) 1969; two graduate student participants.

“The Middle Paleolithic of the Khorramabad Valley, Luristan, Southwest Iran” NSF-GS-2402 (a doctoral dissertation research grant requested in conjunction with K.V. Flannery on behalf of John D. Speth, with supplement from Ford Foundation) 1969: one graduate student participant.

“Population, Agricultural Production and the Development of Early States in Southwest Iran” NSF-GS-31467 \$54,174 (with supplement from both Ford Foundation Traineeship funds and NSF Undergraduate Research Participation funds ) 1970-1972; seven graduate and five undergrad participants from the University of Michigan and nine others from other institutions.

“A Preliminary Study of Transhumant Herders and State Formation in Southwest Iran” Rackham Research Grant \$4500 (with supplement from Ford Foundation) 1973; with six students from several institutions.

“Unity and Diversity in Madagascar” NSF SOC73-05744 \$96,100 (with Conrad Kottak as co-principal investigator), 1975. Of this about \$19,000 was spent on archaeological work, and two Michigan students were able to participate.

“Paleoecology of An Early Iranian City State” Ohio State University DRDA 75-55-K81 \$20,600 1975 for the support of two graduate student research projects.

“Regional Economic Organization in Proto-Elamite Iran” NSF-BSN76-81955, \$6505 1976 (on behalf of John R. Alden for dissertation research).

“Preliminary Excavation of Early IVth Millennium Strata at Susa, Southwestern Iran” National Geographic Society \$3620 1978 (with one graduate field assistant).

Publication of a monograph entitled “An Early Town on the Deh Luran Plain” NSF-NSF79-05763, \$3700, 1979.

“Excavations at an Early Port Community on the Comoro Islands” Rackham Grant \$6504, 1980

“An Archaeological Survey on the Ohio River Terraces in Meigs and Gallia Counties” Grant of Ohio State Historical Society to the Ohio University Archaeological Research Office \$32,000 (with five salaried graduate research assistants) 1980

“Archaeological Investigations of Early State Formation in Madagascar”, A Rackham International Participation Grant, \$3000 (with one graduate participant). 1980.

“The Development of Complex Societies in Southwestern Iran: U.S. - France Exchange Program” NSF-INT 8018780, \$6500, (1981). The purpose of this was to facilitate the visit of six U.S. archaeologists -- all working on data from southwestern Iran -- with colleagues and unparalleled research collections in France. A similar French grant supports a reciprocal visit of French colleagues to America.

“Archaeological Studies of State Formation in Madagascar” NSF-BNS-8218574 \$40,280. 1983-5. This grant supported intensive surveys with accompanying excavations, absolute dating, archaeobotanical studies, and pollen analyses in the centers of Malagasay State Formation (co-principal investigator S. Kus).

“Subsidiary Centers in the Economy of Chiefdoms” BNS 8305514 \$7288 (1983) (on behalf of Paul Welch for dissertation reserach at a Mississippian center in Alabama).

“Paleo-Indian Technological Orgnizational and Settlement Mobility” BNS-8314076 \$6908 (1983) (on behalf of Michael Shott for dissertation research in Michigan).

“A Joint Seminar on the Development of Complex Societies in Southwestern Iran: U.S.-France Exchange Program” NSF-INT8413794 \$16,545 (See above).

“An Archaeological Study of Early Islamic Centers on the Comoro Islands” (National Geographic 2854-84 and NEH) \$25,69, Excavations elucidating, medieval town growth in the Indian Ocean (1984).

“Cultural Adaptation on the East Coast of Madagascar” A Rackham International Participation Grant \$3000. This enabled me to visit Madagascar and train University personnel in archaeological survey methods (1986).

“Community Dynamics at the Regional center of a Chiefdom” BNS8815698 (\$5740) (on behalf of Timothy Pauketat for dissertation reserch at a chiefly center in the Mississippian valley) (1988).

"Excavations at Coptos and Archaeological survey in the Eastern Desert of Egypt"  
(NEH 89-73245) (co-P.I. with Sharon Herbert) (1989)

“Early Human Settlement on the Northwest Coast of Madagascar” National Geographic Society (\$35,520) (with David Burney, Paleobotanist, Fordham University). (1991)

“Iron Production and political complexity in highland Madagascar” BNS9118345 (\$6120) (on behalf of Sigrid Gabler for dissertation research in Eastern Mmadagascar) (1991).

"Early Urban Development and Environmental Consequences on the Northwest Coast of Madagascar"  
National Geographic Society (\$14,210) (with David Burney, Paleobotanist, Fordham University). (1993)

“Archaeological survey of the Andrantsay region of central Madagascar” Wenner Gren (\$6120) (on behalf of Zoe Crossland for dissertation research in Eastern Madagascar) (2000).

“Early nomad settlement patterns on the Egin Gol, Northern Mongolia” Wenner Gren (\$8340) (on behalf of William Honeychurch for dissertation reserch in Mongolia) (2001).

“Archaeological survey in the Gambia” The Wenner Gren Foundation (on behalf of Amy Lawson for dissertation research in West Africa) (2001).

"Excavation of a Nomad Campsite on the Islamabad Plain" NSF ( on behalf of Kamyar Abdi for dissertation research in the Middle East) (2001).

“Analysis of Iron Age material from the Gambia” The National Science Foundation ( on behalf of Amy Lawson for dissertation research in West Africa) (2002).

The Brak Sustaining Area Survey. (\$8860) University of Michigan OVPR (2002)

The Brak Sustaining Area Survey. (\$1500) University of Michigan College of Literature Science and the Arts (2005)

Archaeological Investigations in the Wadi 'Assal. (\$ 9640) NSF (On behalf of Matthew Kroot for dissertation research on Pre-Pottery Neolithic regional organization in Jordan (2006)

Workshop on the Emergence of States in China held in Loyang in July 2006 (\$7754) The Santa Fe Institute (2006)
